

Heritage Insurance Earns Two National Awards, Celebrated for Workplace Mental Health and Employee Engagement

TAMPA, FL – June 9, 2025 – Today, Heritage Property and Casualty Insurance is excited to share that the company has earned two national awards honoring employers that prioritize workplace health, culture, and support systems. Heritage received the Silver designation from the [2024 Cigna Healthy Workforce Designation Awards](#) and the Gold Level [Bell Seal for Workplace Mental Health](#) from Mental Health America. These awards underscore Heritage's commitment to employee well-being, organizational excellence, and people-first values.

The organizations recognized through these awards are setting new standards for employee engagement and workplace health. Being included in the group of awardees reinforces Heritage's reputation as a forward-thinking employer where people are supported, valued, and empowered to thrive.

Working through high-stress events like hurricanes and wildfires can take a significant emotional toll, and Heritage recognizes the importance of providing meaningful support during and after these challenging times. Heritage employees have access to a wide range of resources and programs designed to support mental and physical health, and overall wellbeing.

Ernie Gareteix, Chief Executive Officer, Heritage Insurance, said, "At Heritage, creating a workplace where people can thrive, professionally and personally, is a top priority. These recognitions reflect the dedication of our entire team to building a culture that truly supports mental health, well-being, and work-life balance. I'm especially proud of how our employees showed resilience and compassion during a year marked by devastating hurricanes and wildfires. Their unwavering support for one another and for the communities we serve speaks volumes about who we are. A healthy, supported team is the foundation of everything Heritage does."
